

## What a Terrible Day!

I don't think you are going to believe what happened to me yesterday. Yesterday was a terrible day. First, my alarm clock did not go off in the morning. So, I slept too late. When I finally did wake up, I knew I had to hurry or I would be late for school. So, I jumped out of bed as fast as I could. But, I got out of bed too quickly, and so I fell down and hurt my knee. I got dressed as fast as I could. But then I noticed that I put my shirt on inside out! So, I had to take off my shirt and put it back on again. I couldn't find my belt, so I put my pants on without a belt. My pants were too loose without a belt, so when I ran downstairs, I fell down and hurt my elbow.

I quickly ate breakfast, and drank some hot tea. But, I drank the tea too fast and burned my tongue. Then I went outside and jumped on my bicycle to go to school, but the seat was broken, and I fell off. I had to ride to school on a bicycle without a seat.

I was late to school, and the teacher was not happy. I quickly walked to my seat, but my pants were still loose and I fell down in the classroom. Everyone laughed at me. I forgot to bring my homework, and the teacher made me stand up. My left hand held my pants, and my right hand held my book. I was so tired! After school, I could not find my bicycle. Someone stole it! Who would want to steal a bicycle without a seat?

So, I had to walk home holding my pants. When I finally got home, I couldn't open the front door. I had left my key at school. Then, it started to rain, so I couldn't walk back to school to get my key. I had to wait for an hour for my mother to come home from work.

Yesterday really was a terrible day!
